TEAM DETAILS

We will contact you nearer the tournament to confirm the final details of your team, but please rank the players in your team below. We suggest the best way to do this is to decide on your mixed pairings and then rank those pairs from 1 to 3. Alternatively, you can rank the men and ladies individually, but please note that Man 1 will be paired with Lady 1 in the mixed doubles, Man 2 with Lady 2 and so on. Also, each player will play their equivalent counterpart in every gam; Man 1 will play against Man 1 of the opposing team, Lady 1 will play Lady 1 and so on. Your team rankings will be fixed for the duration of the tournament.
