Dear Members,

We are writing to inform you about the upcoming changes to our Membership Policy and Associated Pricing which is due to be implemented on Sunday 1st March 2020.

Please find the new policy issued by the WRFC Board of Directors attached.

The decision by the Board of Directors to alter membership prices and schemes was not taken lightly and was deliberated at length before finally being agreed in the hope of encouraging growth within our club.

The Board have chosen to increase and decrease Membership rates where they saw fit, in the hope that capital will be reinvested into our club facilities in due course as well as to stimulate interest for certain demographics.

The table below states the new costs incurred for each membership. For more details and clauses of each membership please read the attached document where the terms of agreement are stipulated. Minimal changes have been made for existing members and will primarily affect existing annual memberships when they come up for renewal. The modifications will mainly affect new or returning members.

We appreciate your understanding and patience as we implement the above. If you have any questions or queries regarding the new membership schemes, please do not hesitate to get in contact and we will do our best to answer any questions you may have.

Kind Regards,

WRFC Board of Directors & Staff.
