

Dear Members,

We would like to inform you of the outcome of last night's board meeting where it was decided the Club will remain open until the Government explicitly state otherwise; however, we will be reducing club opening hours as follows:

Opening Hours 18/03/2020:

7:00 – 21:00

Opening Hours 19/03/2020 onwards:

Weekdays (Mon-Fri) 08:00 – 21:00

Weekends (Sat-Sun) 10:00 – 18:00

---

Our priority is the wellbeing of our members, staff and visitors therefore we have taken the following actions:

1. All group sessions have been suspended (if a member has paid upfront for the season/sessions this will be credited to your account or future sessions when they are re-established).
2. A squash court booking is limited to 2 persons at one time.
3. A badminton court booking is limited to 4 persons at one time (no shared sessions of larger groups).
4. The gym occupancy is limited to 6 persons at one time (first come first serve basis).
5. The club is exclusively opened to members, we cannot accommodate visitors and guests at this time with the reduced facility.
6. Children will not be permitted in the club unless supervised at all times by a responsible adult.

We would request that all members adhere to published recommendations such as regular hand washing, avoid unnecessary social contact and self-isolation if you and/or family members are experiencing any of the associated symptoms. Supplementing this we would encourage all members who constitute as high risk to avoid the club. If a member decides to visit the club, you do this at their own discretion. We will continue to follow daily updates from the Government and react accordingly, members will be informed via email or club website of further actions taken.

Finally, thank you for your cooperation and support. We will keep you informed as and or if the situation changes

Kind regards,

WR&FC
